

PROFILE

December 2025 graduate with a B.S. in Economics at the University of Wisconsin–Madison. Passionate about applying economic principles to marketing and sales strategy, consumer behavior, and business decision-making. Skilled in leveraging detailed oriented mindset to inform both sales and marketing initiatives, combining strong analytical ability with creativity and communication. Results-driven and eager to bridge the gap between quantitative analysis, strategic marketing, and design-focused solutions in a professional setting.

EXPERIENCE

Revere Electric Supply Co **Buffalo Grove, IL**
Marketing Intern **May 2025 – August 2025**

- Redefined nine different target markets, improving messaging and customer segmentation through audience research, HubSpot data insights, and SMP sales statistics
- Leveraged HubSpot and SMP analytics to track and optimize campaigns, achieving a click through rate up to 26.41% (company average 7-8%)
- Created eight creative and unique emails, enhancing engagement and brand visibility
- Created eight social media posts that consistently performed above company benchmarks
- Developed Hard Rock Casino case study and presentation script highlighting Revere’s strengths in project execution and cross-departmental collaboration
- Produced nine new instructional videos for training and retooled six customer support using Canva and Clipchamp
- Leveraged AI to enhance understanding of the electrical supply industry and Revere’s services

Center for Leadership & Involvement (CfLI) now SOLI, University of Wisconsin-Madison **Madison, WI**
Marketing and Outreach Intern **January 2024 – May 2025**

- Produced a weekly newsletter to effectively advertise student organizations and campus activities, implementing strategic content and design enhancements to increase the unique click rate by 96% from the previous semester
- Designed ’23-’24 Year-End Report template highlighting CfLI’s impact on students and student organizations
- Conducted thorough testing of twelve student staff training modules, providing valuable feedback and recommendations for enhancements to improve effectiveness
- Redesigned SOAR (Student Orientation, Advising, and Registration) presentation and script
- Initiating a sustainable marketing program to assist underserved student populations to increase marketing presence and expand CfLI’s reach
- Contributed to the marketing plan for the Registered Student Organization Print and Resource Center, designing impactful signage, creating social media posts and creatively personifying printers to enhance engagement
- Created and carried out a marketing plan for the Wisconsin Experience Bus Trip (WEBT) by creating necessary social media advertising, T-shirt designs, and website updates to increase applications

Legacy Agencies **Oak Brook, IL**
Marketing and Sales Intern **June 2024 – August 2024**

- Developed and delivered customized presentations to potential clients, highlighting benefit plans and aligning solutions with their specific needs Completed multiple bank reconciliations
- Identified and engaged with targeted companies a total of 350 times, employing a mix of phone calls, meetings, and follow-ups to maximize engagement and conversion rates
- Successfully navigated and addressed various objections during sales discussions, using persuasive communication techniques to overcome resistance and drive positive outcomes
